It has come to notice of the Ministry that on most of the stretches of National Highways in the country, there are unauthorized cuts/access and illegal encroachments along the side and medians. These unauthorised access/cuts and illegal encroachments disturb the free flow of traffic and may cause increasing road accidents inflicting casualties on road users.

In this regard, the respective Highway Administration are requested to take necessary action under the Control of National Highways (Land and Traffic) Act, 2002 for removing illegal encroachments and unauthorized access/cuts and send action taken report to the Ministry in this regard every six months.

3. Besides above, the Ministry's circular No. RW/NH-11052/12/93-DO I dated 11-05-1993, 28-01-1994, 06-04-1994 and 18-07-1994 may be referred vide which the respective State Governments were requested to remove the existing encroachments on the National Highways by taking necessary action under various sections of the Indian Penal Code, Criminal Procedure Code and such of the Police Acts as are applicable and submit Annual Report thereon on the action taken by them.
