(All Projects)

CONDUCT OF INQUIRIES / DES ETC

1. The competent authority has observed that large number of officers and subordinates are visiting this HQ for various duties. In addition, there are a number of officers who visit this HQ for the conduct of C of Is, DEs and Arbitration cases etc. This is adding to the administrative burden on this HQ which is becoming un-manageable.
2. In view of the above all IOs and Arbitrators etc are requested to make it convenient to conduct inquiries etc at a place of their choosing (other than HQ DGBR) unless there are compelling reasons for the same which can be highlighted in advance to this HQ for the consideration of the DGBR.
3. These orders should be strictly adhered to at all levels with immediate effect.
