Sir,

A Standard Request for Proposal (RFP) for National Highways and centrally sponsored road works proposed to be implemented on EPC Mode of Contract was issued vide letter of even number dated. 16.01.2017. During implementation of the projects, it has been observed that the "Mandatory Experience" required as per clause 2.2.2.2 (iii) as additional experience in construction of specialised projects of major bridges/tunnels/ROBs/Flyovers being mentioned in the various NITs/RFPs is not uniform for similar type of projects. - (a) *In case of normal highway project, clause 2.2.2.2(iii) may be deleted.*
- (b) *In case of stand-alone specialized projects, clause 2.2.2.2(ii) may be deleted and clause 2.2.2.2(iii) may be suitably modified based on the project specific requirement as per footnote (d) below. Further, Authority may prescribe the format of certificate for Mandatory Experience certificate in the RFP.*
- (c) *In case of project involving normal highway as well as some specialized nature of work, the clause 2.2.2.2(ii) may be retained as it is and clause 2.2.2.2(iii) may be*

suitably modified based on the project specific requirement as per footnote (d) below.. Further, Authority may prescribe the format of certificate for Mandatory Experience certificate in the RFP.

(d) *Mandatory experience required for specialized projects:*

(i) **Major Bridges/ROBs/Flyovers:** *The bidder shall have completed the construction of Major Bridges/ROBs/Flyovers having minimum span equivalent to or greater than the longest span of the structures proposed in the project.*
