In such events, the seller will give a certificate to the effect that the spare parts with the superseded part number are same as given in the order and will not affect the inter-changeability of the same. For all such cases, the applicable price will be lowest of the ordered part number & changed (superseded) part number.

CONTRACT AGREEMENT BETWEEN BRO & M/s SANDVIK ASIA PVT LTD.

(b) If against any item, for any other reason whatsoever, it becomes necessary to supply parts bearing a part number other than specified in the supply order / written demand, seller will be required to give following certificate to the Direct Demanding Officers(DDOs)of all the DGBR , projects before arranging supply of spare parts bearing different part number. "The changed part numbers are an exact replacement of part ordered and are suitable and will fit in machine in the existing fittings for which they are intended". If, however, there is any obvious typographical and clerical error in the part number and / or description of any item, the supplier shall inform the correct part no. and description of the item, as the case may be and accordingly change in price, if any to the ordering authority who shall arrange to issue necessary amendment.

(c) If however, the substituted part No is not a mere replacement of spare parts originally ordered and involves purchase of other item in addition, as would be the case when a kit is offered instead of small item, forming part of a kit, the supply of the kit ,would be subject to the following conditions:

- (i) The seller will inform the DDOs of all the DGBR, Projects whether the supply of kit involves any change in the price and if so the revised price would be stated for scrutiny and incorporation of the same in the supply order. If found acceptable and the OEM will certify that the manufacture has definitely stopped supply of spare parts but are supplying as a kit.
- (ii) The seller shall furnish original part no and superseded part no on their invoice. The seller shall also incorporate all the old as well as new and superseded part no in their next price list.
