SCHEDULE-'A' NOTES
(LIST OF WORKS AND PRICES)

NAME OF WORK: PROVIDING, LAYING, AND COMPACTION OF 50 MM THICK DBM, 30 MM THICK BC AND TACK COAT FOR SURFACING WORKS AS PER MORT&H SPECIFICATION IN BETWEEN KM 4.300 TO KM 15.300 ON ROAD PINDI-DODA UNDER 79 RCC IN 31 BRTF AREA UNDER PROJECT SAMPARK IN J&K STATE

Notes:-

1. Quantity shown Schedule "A" is approximate and is inserted as guide only. These shall, however, not be varied beyond the limits laid down in condition 7 of IAFW-2249 General Condition of contract.
2. The rates and amount in schedule "A" are to be filled in by the tenderer. The rates shall be filled both in figures as well as in words. In case of variation between the rates quoted in figure and words, the rates in words shall take precedence.
3. **Period of completion:-** The entire works of Schedule "A" under this contract shall be completed within **365Days** from the date of commencement of work as per work order No. 1, which will be generally within one month of the date of issue of acceptance letter.
4. Any drawing mentioned in the tender documents/particular specifications but it is inadvertently not included in the list of drawings, shall also be deemed to form of the part of the contract and tenderer may see such drawing/details in the office of Accepting Officer/concerned OC Contracts and shall be supplied by Deptt.
5. The layout of work as indicated in site plan/layout plan is tentative and may be varied where necessary at the discretion of the OC Contract. The contractor shall not be entitled for any claim on account of any such variation.
6. The rates to be quoted by the tenderer in this schedule "A" shall be deemed to include for the provision of all labour and materials, loading and unloading of materials and transportation if required, tools, plant, equipment and tackle, process, operations and specific requirements details in this schedule in the particular specification and elsewhere in this tender documents and for the full, entire and final completion of the work in accordance with the provision of these tender documents.
7. The rates quoted by the contractor shall be deemed to be inclusive of all taxes (including Sales Tax/VAT on materials, Sales Tax/VAT on Work Contracts, Turnover Tax, Service Tax, Labour Welfare Cess/Tax etc) duties, Royalties, Octroi, State Entry tax & other levies payable under the respective statutes. No re-imburement/refund for variation in rates of taxes, duties, royalties, Octroi, State Entry tax & other levies, and or imposition/abolition any new/existing taxes, duties, Royalties, Octroi, State Entry Tax & other levies shall be made except as provided in Special Condition .
8. The rates to be quoted by the tenderer in respect of these works shall be deemed to include for all minor details of construction which are obviously and fairly intended and which may not have been specifically mentioned in the tender documents but which are essential for satisfactory execution and completion of work. In case of difference of opinion

Signature of Contractor

For Accepting Officer

between the OC Contract and the Contractor as to what constitutes a minor detail of construction, the decision of Accepting Officer shall be final and binding.

9. Rates to be quoted by the contractors shall be deemed to include for all items of work as described, specified in particular specifications and on drawing.

10. The rates to be quoted by the contractor for various items shall include for "material and labour"/ "Supply and fix", connecting, Jointing, Testing and Commissioning complete unless otherwise specifically mentioned therein.

11. The amount of contract is not firm but shall be treated as the contract sum as referred to in condition 1 (n) of IAFW-2249.

12. Work shall be executed on **between Km 4.300 to Km 15.300 on road Rajouri-BG in 31 BRTF area under Project Sampark in J&K State.**

13. Measurements of work done shall be as per units of items given in Schedule 'A' and this mode of measurement shall taken as per Clause 113 of MORT&H Specification (vth revision). The rate be quoted considering Clause 114 of MORT&H Specifications (vth revision).

14. Unit RM, mm, cum or CM, Sqm, Kg and Quintal or Qtl wherever mentioned in the tender documents denotes the unit, Running Metre, Millimetre, Cubic Metre, Square Metre, kilogram and Quintal respectively.

15. The works under this contract will be carried out within the working hours as per the directions of Accepting Officer or the officer so detailed by him for administration of this contract.

16. The security will be arranged by the contractor for his personnel and equipment during the execution of work. No compensation will be paid by BRO on account of any loss/damage to personnel, property, veh/eqpt/plant of contractor during execution of work or on any account.

17. Site for execution of work shall be handed over on date of commencement of the work as indicated in the work order No 1. In case it is not possible for the department to handover the entire site on the date of commencement and certain portion of the site is handed over later on then contractor shall make his planning/deployment of resources accordingly and no claims of whatsoever nature on this account shall be entertained.

18. The tender will be considered for acceptance as a whole and not in parts.

19. The rates shall be filled in figures only in the provided column in schedule "A" given in Excel sheet. The schedule "A" given in Page No. 171 is reference only.
