After a lapse of 18 years service department had promoted me to the lineman trade from pioneer through DPC and posted to Himank Signal Section Leh in year 2007. After six years working in the same trade GREF Records asked a willingness certificate for further promotion to the trade of L/H line (Now opr communication) and the same has been sent to Gref records for further promotion during year 2013. At this time department brought a Cadre Review and some trades are abolished including the Lineman Trade with giving a clause that the operator communication Trade is now surplus, as and when the vacancies of opr communication creates the trade of lineman will be promoted to opr comm. But now 135 vacancies of opr comm created and applications are invited for new recruitment, where as this lineman trade not considered for promotion to the trade of opr communication. There is no financial loss to the department while promoting this trade to the trade opr comm. This lineman trade is also doing the work of opr communication after abolishing the trade. So I am requesting that please look in to the matter for further promoting the trade to opr comm.	REQUEST DISPOSE OF

From the last more than 30 year Wednesday, Saturday and after lunch civil dress (Formal shirt and pant) is regularized in this department for all employees. Suddenly department issued a notice to discontinue the civil dress on Wednesday, Saturday and strictly asked to wear uniform in all days of working. My quarries are following 1. Department distinguish between working dress and uniform. 2. If, its uniform then department do not deny to give allowance of uniform in respect of insurgency and border lines area. 3. Reason behind the discontinues of such mind distracting decision because wearing of civil dress on few days relax the mind and distract from aloneness from family. MoD(BR) on the proposal mooted by DGBR to abrogate the effect of 6th CPC recommendation for framing of separate act or rules to GREF employees expressly made after detailed examination/deliberation with a view to remove ambiguity over the status of GREF. to improve the terms and conditions of service and for an effective and efficient administration of the force on the basis of views/recommendation of CE/SE of GREF and stake holders. Since a conscious approach has not been to be adopted by obtaining the views of GREF personnel in the form of willingness/unwillingness in favour of separate Act/ rules or continuing with existing system through recognize forum of Sainik Sammelan , it is clear that a corrupt practice was adopted in abrogating the effect of an expert committee recommendation leaving 42000 GREF employees unformed 2. 669	BRORG/R/E/23/00092	PRK Gupta	CHANDRAN A S	Respected sir, I am GS-168534Y Lineman Chandran AS appointed in GREF (BRO) On 14 Jan 1988 as a PIONEER. After a lapse of 18 years service department had promoted me to the lineman trade from pioneer through DPC and posted to Himank Signal Section Leh in year 2007. After six years working in the same trade GREF Records asked a willingness certificate for further promotion to the trade of L/H line (Now optr communication) and the same has been sent to Gref records for further promotion during year 2013. At this time department brought a Cadre Review and some trades are abolished including the Lineman Trade with giving a clause that the operator communication Trade is now surplus, as and when the vacancies of optr communication creates the trade of lineman will be promoted to optr comm. But now 135 vacancies of optr comm created and applications are invited for new recruitment, where as this lineman trade not considered for promotion to the trade of optr communication. There is no financial loss to the department while promoting this trade to the trade optr comm. This lineman trade is also doing the work of optr communication after abolishing the trade. So I am requesting that please look in to the matter for further promoting the trade to optr commn.	REQUEST DISPOSE OF

Before this letter all staff is exempted on these day. Please clarified that why such bias behavior followed by department. Through RTI I want to know but department has no explanation on it 2 Due to a major percentage involvement deputation of army official in department GREF ,the promotion policy is very pathetic. No promotional exam held by departmental. As comparative to other state government and PSU the policy is so pathetic. Why cadre/policy review and promotional exam not implemented. 3 GREF involve in the civil construction, not armed activity then why a large number of armed force deployed in GREF department.
